Summary

As an aspiring data scientist student, I am analytical, curious, and detail-oriented. I have a strong passion for working with data, and I am always eager to learn new techniques and technologies to advance my skills. I am a self-starter, capable of working independently or as part of a team, and I have excellent problem-solving abilities. I enjoy working on complex problems and finding creative solutions to challenging data-related issues. I am also committed to staying up-to-date with the latest industry trends and best practices to ensure that I am always delivering the best results possible.

Inbuilding Python Project

Education

Dr. A.P.J. Abdul Kalam Technical University

Bachelor of Technology - BTech

Jul 2021 - Jun 2024

PW Skills

Certification , Data Science Masters

Feb 2023 - Aug 2023

Skills

NumPy • Microsoft SQL Server • Tableau • Python (Programming Language) • Machine Learning • Deep Learning • Artificial Intelligence (AI) • SQL • Pandas (Software) • MySQL
